CONGRATULATIONS!

Nura arrives in a big city to help her parents settle their debts. She moves into Juna’s house as a hired servant. In the house, Juna is a rich and proud young man who inherits his father’s business. He is lazy and goes to campus just to meet friends and chase pretty girls who love his wealth.

In his chaotic life, Juna is betrayed by his own cousin and uncle leading to his downfall. Juna’s life is in a real mess. However, Nura helps him gain his confidence and reorganize his life. Nura begins to teach the rich spoiled brat some manners through her down to earth scolding and no-nonsense attitude. The girl helps him pick up the pieces in his life, from defeat to success. Finally, after a long struggle and hard work, he can regain his life. He is now in the position of the director of the company that he inherits from his father.

“Thank you very much. This is because you’re always with me,” Juna responds cheerfully.
“I’m very happy for you, Juna. Your company is now back to you,” another friend says.
Juna replies with a happy tone, “Thank you. I cannot forget your help to me.”
Others shake his hand and say, “That’s wonderful, Juna,”
“Good for you!” “Good luck,”
“Best of Luck!”
“Well done,”
“Fantastic job!”
“You must be very proud of your achievement.”
He responds to them joyfully, “Oh, thanks,” “Thank you very much for saying so.” “Oh, I have a lot to learn, yet,” “I am glad you think so.”
His staff also congratulate him, “I’d like to congratulate you on your accomplishment, Sir!”
“Please accept my warmest congratulation,”
“I must congratulate you on your success in returning the company back to your family,”
Again, he answers those expressions contentedly, “It’s very good of you to say so,” “How nice of you to say that,”
“Thank you very much for saying so.”
Nura observes this event from the backdoor. She cries happily for her master who has changed into a mature, stable young man.

In congratulating, people may make more than one move, for example, “Congratulations! You deserved it, man.” Similarly, in responding to congratulating expressions, people do not only make one move, like, “Thank you very much.” Usually they also say something else, such as, “This is because you’re always with me.”

Those expressions are called as extended congratulations/responses to congratulations (pujian bersayap).
Task 1:
Complete the blanks in the following dialogs using the words in the box. If needed, you may change the parts of speech. As an example see number 1. The answer for number 1 is wonderful.

Please note that at the end of the word ‘congratulation’ there must be an ‘s’ attached to it. So, never say ‘congratulation’ without an ‘s’. You must say, “Congratulations.”

Let’s play scissors, rock, and paper.

Work in pairs. Play scissors, rock, and paper. The winner chooses for himself/herself a situation. The partner makes an expression of congratulations. For example, the winner chooses situation 5. He/She says, “I just bought a
new bag.” The partner says, “Congratulations. Your new bag is gorgeous.” Then develop a conversation based on that. After that, start all over again by doing the scissors, rock, and paper again, and so forth. Continue doing that with all the situations provided in the table below.
